Five arrested after failed ram raid

June 12, 2007 - 7:44AM

Five men have been arrested after a failed ram raid at a shopping centre in Sydney's far west.

Police said an alarm was set off at the Glenmore Park town centre at 3.35am (AEST) when a van and a four-wheel drive were driven into the foyer.

An unsuccessful attempt was made to open an automatic teller machine and several men ran from the centre as police arrived.

Five men were arrested nearby and are being questioned.
