Five-year-old boy in car-jacked vehicle

June 22, 2007 - 3:10PM

A man has been arrested after a five-year-old boy and his mother endured a car-jacking ordeal in **Adelaide**.

The boy, in a rear seat, and his 34-year-old mother were preparing to leave a shopping centre in the city's inner-north about 8.45am CST when a man jumped into the car, police said.

He sat in the front passenger seat of the Ford sedan and, claiming he had a gun, ordered the woman to drive into the city centre.

A witness to the carjacking followed the vehicle while contacting police on a mobile phone, police said.

The car-jacking suspect, a 24-year-old man, was arrested in central Adelaide about 9am and charged with aggravated robbery.

He is in police custody and is expected to face a court hearing on Monday.

No-one was injured in the incident.
